MESSAGE FROM THE PRINCIPAL

Jane Budd

Wow! What a busy and rewarding term we have had, and as it draws to a close, this is the perfect moment to reflect on the remarkable achievements and progress we've made together. Thank you to all our families for the continuous support you provide each term.

Our students engaged in a wide range of activities, including excursions, incursions, camps, and fundraising events. Many participated in a range of competitive sports and chess competitions, while ten Year 5 students took part in the "Write a Book in a Day" challenge. We also celebrated our prep students reaching their 100th day of school. Year 3 students completed the St John's First Aid program, and community events like Book Week, Science Week, the Cheese Toasties Van, the school disco, and Footy Day brought us together as a community to dress up and celebrate these significant days.

Last week, four of our Year 6 students were recognised in the Wyndham Rotary Junior Arts Awards. Congratulations to Riona for 2nd place, Elirah for 3rd place, Husna for 4th place, and Aanya for 5th place. These students had the honour of attending a formal presentation by Rotary. We are incredibly proud of their achievements and extend our gratitude to everyone who participated in this event. Thank you to Mr Davies for organising this for our year 6 students.

I would like to extend a heartfelt thank you to Tracie McCahill and her incredible team for their outstanding dedication and hard work over the years in ensuring our School has a successful Out of School Hours Care Program. Their commitment and passion have truly made a positive impact on our school community. The entire team deserves to be highly commended for the exceptional service they have provided, consistently going above and beyond to support our students and families. We are deeply grateful for everything they have done.

We are pleased to welcome Lisa Jones to our Administration Team. Lisa brings valuable skills and knowledge from her experience working in schools. Please join me in making her feel at home here at Cambridge Primary School.

When we place students in classes, we are looking to create the best learning environment for all students. Our decisions focus heavily on educational outcomes and overall group dynamics. Our criteria for placing students are:

- Educational needs/outcomes
- Behavioural needs/outcomes
- Overall group dynamics – creating a positive and supportive group
- Friendship needs – if relevant in supporting student learning

CURRICULUM NEWS

With holidays only a couple of days away, it is time to rest and refresh. Part of this still includes ensuring healthy learning habits continue. Some ways to keep these habits going whilst still allowing some downtime are;

- Use games rather than sit-down time. For example, number plate games (add the numbers together, can you get it to equal x, create a silly sentence using the letters, find a word that contains all of the letters)
- Quality time. Write a recount or diary entry after completing a day trip/activity, research and create a plan for a trip/outing
- Literacy skills. Create a book club in your home, get everyone to read/watch the same book/TV show/movie, and make the time to sit down and discuss what happened, what was enjoyed, and what could be changed. Unpack the characters, what did they do? Would you be friends with them? How did they impact the story?
- Numeracy skills. Get involved in the daily maths. When cooking get your child to measure out the ingredients, read out the units being used and talk about time and temperature. If shopping talk about items that have GST, can they work out how much GST is incorporated in the price, create a shopping budget (you have \$5 what can you purchase), and work out change?

WELLBEING AND INCLUSION

Term 3 review

What an amazing term our students have had!

Bon Appetit

Our student leaders have served up hundreds of subway subs and breakfast clubs, and last week they delivered almost 350 cheese toasties. They'll be in paid jobs before we know it.

Costume Changes

Not only do we love food at Cambridge, but we love a chance to dress up as well.

This term our school has embraced a range of celebration and events from Hoodie/Oodie/Jacket/Jumper Day, to Book Week, a splash of yellow last week for R U OK? Day and this week was Footy Colours Day.

Wellbeing in class

During Social Emotional Learning (SEL) students have explored problem solving strategies, help seeking supports and have explored the concepts of consent and personal boundaries both in the real world and the online world.

Looking forward to term 4:

Next term starts with a bang.

Leadership Day

Our Junior School Council are running a leadership day in the large gym for all our Year 4 and 5 students in week 1. They are a little nervous to be "teacher for the day" but are very excited to help build the leadership skills of their 200 peers.

School Leadership Roles 2025

Next term we will start the process of electing Junior School Councillors for 2025. All students currently in Years 3, 4 and 5 are encouraged to apply for these exciting opportunities.

Transitions

We know that transitions from one year to the next often represents a source of anxiety for students (and parents). During term four our SEL lessons will focus on supporting students to deal with change and manage their emotions.

In the meantime, I hope all of our students and families enjoy a wonderful break over the holidays.
